## **TECHNICAL NOTE**

Survey requested by the European Commission, Directorate-General for Regional and Urban Policy and coordinated by the Directorate-General for Communication

Fieldwork conducted by Ipsos European Public Affairs

### **Methodology**

- The survey was conducted via telephone interviews
- Fieldwork: between 22 April and 8 May 2025
- Target population: EU citizens, 15 years and over
- Coverage: EU27
- Number of interviews: 25 737
- Sample size per country: ≈500 in LU, CY, MT; ≈1 000 in all other countries

### **Presentation of survey data**

- Survey data are weighted to marginal age by gender, activity status and region population distributions using *rim* weighting. The EU27 averages are weighted according to the size of the 15+ population of each country.
- Percentages exceed 100% if the question allowed respondents to select multiple responses.
- Country results include differences in percentage points compared to Flash Eurobarometer 531 (conducted in June 2023). Trend differences are calculated from percentages rounded to the nearest integer.
