<b>Project Title</b>	"European Network of Solidarity Municipalities"	
<b>Project Outline</b>	<p>This proposal aims to <b>promote a network of Municipalities at European level</b> that share a certain approach about public policies as tools to promote the values of solidarity and coexistence, integrating in an innovative way local public and private agents: small local commerce, municipal social services, associations and local governments existing in the territory.</p> <p>This proposal seeks to <b>convert businesses into social transformation agents</b> and generate new spaces to foster relations and articulations between citizens and the most vulnerable population.</p> <p>The project will involve thousands of people in everyday accessible gestures of solidarity that allow the social peripheries to become new customers of those local businesses in a dignified manner.</p> <p>* The idea for this project stems from a project that Zabalketa is already implementing in Getxo, SOLIDARIDUP: <a href="http://zabalketa.org/actuaciones-especiales/solidaridup/">http://zabalketa.org/actuaciones-especiales/solidaridup/</a></p>
