

## ***YOUR FIRST EURES JOB 6.0***

[Your first EURES job 6.0](#) is a European project implemented by EURES National Coordination Offices, through partnerships involving EURES of other Member States, public, private and third sector organisations.

The project is coordinated by ANPAL (Agency of Ministry of Labour and Social Policies, acting as EURES National Coordination Office) in partnership with 12 co-applicants (Fondazione Giacomo Brodolini, Metropolitan City of Rome, Eurodesk Italy, Sapienza University, Romania, Croatia, Bulgaria, Greece, The Netherlands, Portugal, Spain, Cyprus), 2 affiliates (ANPAL Servizi and Capitale Lavoro) and 15 associates (from Finland, Italy, Poland, United Kingdom and the Italian EURES network).

### **Project's objectives**

- developing innovative projects for the **promotion of professional mobility**, through the support of the European Commission
- supporting young people to find a **job, traineeships and apprenticeships** in another EU Member State. YfEj 6.0 will focus on actual matching and placement services, covering all phases of placement, from active preparation to post-placement assistance for successful integration into labour markets
- promoting a circular, voluntary and quality mobility of workers and the construction of a European citizenship

### **Target:**

- **young people** aged 18-35, nationals of any of the EU28 Member States, Iceland or Norway, and legally resident in a EU28 Member State, Iceland and Norway
- **employers** in the EU28 Member States, Norway and Iceland, with a special attention to SMEs

**Geographical dimension** of the project: EU28 Member States, Iceland and Norway.

**All business sectors** involved. The most covered ones:

- health
- engineering
- logistics and ICT
- tourism and related services
- wholesale-customer care
